“We are happy to be one of the newer residents here in Harbor Point. We moved here from Spring, TX where we have lived for the past 8 years. Josephine and I have been married for 33 years and have four children.

Christopher is our Five Grand Children only child living at home with us.”

His brothers and sister are living in Tomball, Cypress and Austin, TX. We look forward to growing together with the community here in Harbor Point.

We have been welcomed by many of you friendly folks already in the process of our move and look forward to meeting many more of you the days ahead.

Make It A Great Day, Everyday!
