The Website for the Harbor Point Community

May - June 2013

We would like to welcome Gloria to Harbor Point POA . We are excited that she has accepted the position of Office Assistant.

Gloria is mutually excited about her position here at Harbor Point. She became a HP property owner over ten years ago and resides on Waterview Dr.

Together with Diane Munger, Gloria will tackle the project of bringing HP into the 21 Century. As you have noticed many changes, the biggest change is...

You may ask, what did the office have to do with the new roads? The Answer is uncomplicated. The more people who pay their assessments the more money we have for ROAD REPAIRS.

**The POA Office is closed**  
Sunday - Tuesday  
New Hours Coming Soon

As a result of much hard work and many phone calls more assessments fees were paid from the April billing than any other billing cycle.

The POA is listening to the owners.

They will become more aggressive when it comes to collecting assessments.

The new POA/HOA state laws will assist the POA in this process.

If you are behind or have not paid please contact the POA ASAP.

Late fees are added monthly.

Please contact the office with any updated information.

Father's Day is celebrated on the 3rd Sunday in June.

The idea for creating a day for children to honor their fathers began in Spokane, Washington.

A woman by the name of Sonora Smart Dodd thought up the idea for Father's Day while listening to a Mother's Day sermon in 1909.

Having been raised by her father Henry Jackson Smart, after her mother died, Sonora wanted her father to know how special he was to her.

It was her father that made all the parental sacrifices and was, in the eyes of his daughter, a courageous, selfless, and loving man. Sonora's father was born in June, so she chose to hold the first Father's Day celebration in Spokane, Washington on the 19th of June, 1911.
